

The President of Board of Supreme Audit ,Dr.Abdul basit Turki Saeed has emphasized in a memorandum submitted to the joint command of contracts headquarter–Iraq/Afghanistan regarding the contracts implemented by the project of contracting office (PCO) that Iraq retains its right to Audit and claims with the compensations of any financial damages in the Iraqi Budget due to any administrative & financial action as a result of the American bodies implementation of these contracts . Board of supreme Audit has audited and controlled a sample of these contracts implemented by the office mentioned above and it includes many notes and weaknesses related to implement these contracts .

The joint command of contracts has stated its point of view in a memorandum to the inspector general Iraq reconstruction (SIGIR) and International Advisory and Monetary Board (IAMB) regarding the duties assigned to it and they have been completed ,terminate and cancel any audit in the future.
