

"More than 38b ID for Social Security Network in Alanbar pending distributed"

BSA-media center- During its examination of Al-anbar governorate's financial statements (2009), the BSA announced the governorate receiving of more than 38.029 billion ID, of which only 36% was distributed, whereas the rest is kept as a bank account depriving the legitimate have-nots of benefiting from the funds.

The Board declared also that necessary procedures against usurpers of the Governorate's scarce quarries and mines as well as encroachments on lands of value –presidential and commercial-, totaling to over 4245 in the governorate various districts and towns, have not been taken by the governorate. Moreover, 31 vehicles are found in unlawful custody of persons who no longer work for the Governorate for years, also, the recommendations issued by the Governorate's engineering department to take the necessary actions against 10 companies awarded with 15 projects still pending to complete by these companies, are not put in place.
